Career Technical Education Credential (CTE) Verification of Teaching Employment Form

To Employing District/Agency:

The recommendations for preliminary CTE credentials are submitted by the California Commission for Teaching Credentials (CCTC) approved program for our region, the Yolo-Solano CTC Induction Program (YSCTC-IP). In order to recommend a candidate for a preliminary credential, the YSCTC-IP requires employment on the requested credential.

Please verify your employment offer for the holder of this form.

_____ has been offered a contracted teaching position as the teacher of record in the subject area of _____ which requires a Career Technical Education credential.

Official Hire Date: _____

School/Work site: _____

District/Agency: _____

Employer Authorized Signatory: _____

Please print

Title: _____

Authorized Signature: _____

Upon receipt of this official Verification of Teaching Employment form, the candidate's application will be forwarded to the Yolo-Solano CTC Induction Program for final review and credential recommendation to the CCTC. The final authority to grant or deny a credential rests with the CCTC.

Once recommended to CCTC, candidates must enroll and participate in the Yolo-Solano CTC Induction Program or another Induction Program that has an official memorandum of understanding with the Yolo-Solano CTC Induction Program to meet the appropriate credential program requirements.

For additional information regarding completion of this form, please contact the Yolo-Solano CTC Induction Program: (530) 747-2008.
